Sir,

With reference to correspondence ending with Government order No L 3819-20f/11 85-26-11 dated the 13th December 1926, sanctioning the free grant of a plot of ground, which is now marked off as site Numbers 40, 41 in the Khalasipalya Extension for the construction of a Musafarkhana for the convenience of the relatives of Muslim Patients coming from Moffussil for treatment in the Victoria and Minto Opthalmic Hospitals, I have the honor to state that after the receipt of the Government Order, the Superintendent Minto Opthalmic Hospital, at whose instance the question was taken up, was requested to send the donee to this Office to execute the required agreement before taking possession of the site and no reply has yet been received nor has the donee appeared

2 As the offer of a site free of cost was not availed of though 18 months have elapsed the matter was placed before the Council at its meeting held on the 9th June 1928 when it was resolved that the permission granted be withdrawn and the sites be used for the construction of buildings for Hindustani Boys' and Girls' Schools (Vide copy of resolution enclosed) Numbers 23 and 31 had already been reserved for the construction of Hindustani Boys' and Girls' Schools when the extension was laid out It may be stated that when the Council resolution was

passed

A

passed it was not noticed that provision had already been mad for locating the said schools in the sites shown above As such the question of selling sites Nos 40 and 41 for buildi purposes will be placed before the Council and orders are now sought to withdraw the free grant of the sites for the musafar- khana
